Twilight Party Decorating Ideas

What's a Twilight party without your favorite characters? Here are some decoration suggestions:

*Get posters of Edward, Jacob, Bella and the rest of the Twilight gang and hang them up all over. Available at Wal-mart, Dollar Store, among other places

*Go to <http://www.incrediblegifts.com/twlicast.html> and get a cardboard cutout of your favorite character. Use a digital camera to take pictures of your guests with Edward, Bella, Jacob...and print them out for a cute party favor and perfect keepsake.

*Use red & black tablecloths, napkins, plates, cups, plasticware, etc. Available at any party supply store.

*Place a bowl of red apples as a centerpiece of your table.

*Decorate your table with Bella's engagement ring – buy some cheap costume jewelry or children's toy rings and sprinkle on the table.

*Get buttons, temporary tattoos, bracelets, or other Twilight accessories for your guests to wear at the party.

*Don't forget to wear your Twilight shirt!

<http://twilightfanatic.spreadshirt.com/us/US/Shop/> is just one of many online stores that sell the Twilight apparel.

*Since you are about to attract a big crowd, and not everyone may know each other, use the custom nametags on the next page and allow your guests to choose their own! These labels come 6 to a page and will work with Avery 5164/8164 labels.
